KPMG Apprenticeship Programme—

Openings in Aberdeen

KPMG's Apprenticeship programmes offer the chance to gain practical work experience and build core skills at a company with a global presence, perfect for students looking to find an interesting and challenging role after completing Highers (or equivalent).

As one of the Big Four professional services firms, KPMG have a global presence, working with businesses across different industries to help them to improve the way they work and shape the future. Apprentices at KPMG have access to a whole host of exciting opportunities, from having the chance to gain professional qualifications to earning a salary from day 1.

We know that making choices about the future can be daunting, so whether you're set on an apprenticeship or just keen to find out more, register your interest in applying via [this link](#) and we'll send you some application tips and guidance your way!

Applications are assessed on a rolling basis - we recommend getting started as soon as possible to avoid disappointment.

Business Administration Apprenticeship Opportunity—*information and how to apply detailed below:-*

Wellhead Electrical Supplies were established in Aberdeen, Scotland in 1990 to provide the Oil and Gas Industry with a range of High Quality Electrical Products for use within the Hazardous Areas and Hostile Environments found in the Offshore Oil and Petrochemical Industries.

APPRENTICESHIP OPPORTUNITY

Wellhead Electrical Supplies have an opportunity for an Apprentice Internal Account Manager to join their team and assist in their growth. The successful candidate will complete a Modern Apprenticeship in Business Administration through Tullos Training. You will assist their team of internal account managers by preparing quotations for customer requirements and entering information into the sales order and purchase order processing systems.

To apply, please send CVs and Cover Letters to Shannon Elrick, s.elrick@tullostraining.co.uk.

Quartzelec are hiring two apprentices—further information and how to apply below:-

Closing Date 30/05/21

QUARTZELEC ARE HIRING!

Quartzelec is a leading independent engineering group delivering solutions and services in both UK and global markets. As a multi-disciplined service provider we support local industry and infrastructure from our facility in Aberdeen with a range of unique contracting and rotating machine services; with specialist support available for the Oil and Gas, Marine and Renewables markets.

Rotating Machines

- Electro-mechanical repairs, service and overhaul of AC/ DC equipment
 - Rewinding electrical motors and generators
 - Site / offshore service support
- Condition monitoring services
 - Marine and Naval services
 - COMPEX / EX inspections

Electrical Contracting

- LV electrical installations
 - LV maintenance
- Inspection and Testing
- Facilities maintenance

This year the business is looking to add one apprentice for the oil and gas division (electrical engineering) and one SJIB (electrical installation) apprentice for the contracting division.

As a Quartzelec apprentice you will be provide with extensive training and support to transform you into a multi-skilled engineer taking their first steps towards a successful career in engineering.

Your commitment as an apprentice will include:

- Commitment to your safety and those around you
- Hard work – at training and in the workplace
- Occasional secondments to other UK facilities
- Team Working

To apply, please send a copy of your CV to s.elrick@tullostraining.co.uk stating which position is of interest to you.

The RGU Virtual Exhibition

The RGU Virtual Exhibition is now available on-demand!

Hello,

RGU were delighted to welcome our valued partners, agents and school counsellors to our first global virtual exhibition last week. This past year has been very challenging for all of us involved in the education sector, but it has also shown how we have adapted and continued to support each other.

This period of time has also been particularly successful for the university. We are proud to have been awarded both the 2021 Scottish University of the Year by the Times and Sunday Times Good University Guide, as well as Business School of the Year award from the Times Higher Education awards.

All of the content from the event is available to view online and on-demand at a time of your choosing. You can attend our webinars, watch our recorded content and download relevant documents.

The RGU Virtual Exhibition will remain online until **Monday, 31st May**.

Please follow the link to access the platform:

Summer holidays—National Cyber Security Centre—Free Cyber Security Courses (S4, 5 & 6) |

Opportunity from Young Professionals:

We have an amazing opportunity for students in Y12 / S5, Y13 / S6 & Y14 who are looking to get into Business & Finance coming up on the **19th May, 5pm - 6pm**.

For the first time ever we are bringing together some of the worlds biggest brands like never before. In collaboration with **CIMA, Adidas, McDonald's and Plaids** (the creators of McVitie's) we will be putting on an exclusive webinar talking all about what it's like to work in Business & Accounting at some of the world's most recognisable brands. We will also be showcasing all of the amazing **career opportunities for students leaving school** this year as well as summer work experience opportunities with CIMA.

Key Details:

- Open to students interested in Business, Accounting & Finance
- **Wednesday 19th May, 5pm - 6pm**
- Senior business leaders from Adidas, McDonald's and Plaids will be joining us
- An overview on what the CIMA Business & Accounting qualification is
- **Summer Work Experience in Business, Accounting & Finance with CIMA**
- Open to all Y12 / S5, Y13 / S6 & Y14 students
- Very limited places (first come first serve)

Application Link: <https://www.surveymonkey.com/r/CIMA-Event>
