KPMG—2021 Apprenticeship Recruitment Opportunities (Aberdeen) — information and how to apply detailed below:-

We wanted to let you know that we are still recruiting for 2021 [KPMG Apprenticeship Programmes](#) we hope this information can be passed onto other teams you work with, as well as students who are interested in applying for an apprenticeship programme.

Based in our **Aberdeen** office our [Audit Apprenticeship programme](#) is aimed at those who have, or are about to complete Highers/Advanced Highers (or equivalent) and are able to start a programme in autumn 2021. Our Audit apprentices focus on delivering high-quality audits, as well as learning to use new technologies and tools such as artificial intelligence and predictive analytics to analyse data and produce quality audit outcomes - all whilst studying towards a valuable professional qualification.

More information and how to apply to this programme can be found [here](#). KPMG recruits on a rolling basis and so we continue to encourage prospective applicants to apply as early as possible, to avoid disappointment.

Application process

We have recently uploaded a series of short videos which focus on each stage of our application process and can be found on this page [here](#). These videos have been designed to provide applicants with further information on what to expect at each stage of our application process and can be viewed in students own time.

Talent Community

Any students who are not yet in a position to apply and want to be kept updated on our future programmes please encourage them to sign up to the [Talent Community](#).
