Newmachar Golf Club—Apprentice Greenkeeper

Details and how to apply below:-

JOIN OUR TEAM

APPRENTICE GREENKEEPER

Newmachar Golf Club is looking to recruit an Apprentice Greenkeeper to complement our team of committed and skilled Greenkeepers; the role is full time with an immediate start desirable.

Whilst some experience in Greenkeeping/horticulture and an enjoyment of the game of golf would be preferable, we are looking for someone who is:

- Enthusiastic
- Hard-working
- Enjoys the outdoors
- Flexible in their approach to work, including early mornings and weekends
- Excellent time-keeper
- A great team player and individual worker

The role will be a 40 hour per week position from commencement. Rate of pay is the recommended NMW, with education, training, uniform and PPE provided.

Interested applicants should apply in the first instance to the General Manager, Paul Mills containing a covering email and your CV to generalmanager@newmachargolfclub.co.uk

By applying for this position you are consenting for Newmachar Golf Club to receive and hold your personal data for the purpose of the job application only.

All applicants must have the right to work in the UK.

Brimmond Group—Mechanical Engineering Modern Apprenticeship

Details and how to apply below:-

MECHANICAL ENGINEERING MODERN APPRENTICESHIP

Founded in 2006, Brimmond Group - and sister company Rigrun Europe - are a Kintore based integrated engineering company, providing our clients with hydraulic, mechanical and electrical solutions. Our clients operate predominantly in the offshore oil and gas industry, however, we count renewables, defence and civil as some of the other areas we have experience in. To find out more, visit www.brimmond-group.com.

As we celebrate our 25th year of business, we are hiring! We are looking for two enthusiastic mechanical engineering apprentices to join our growing team in 2021. During the 4-year apprenticeship, you will attend Tullos Training in block release sessions throughout your first year to complete an SVQ Level 2 in Performing Engineering Operations. You will then complete an SVQ Level 3 based in the workplace with ongoing assessment by Tullos Training. You will also complete a NC in Engineering and progress to gaining a HNC in Mechanical Engineering. Further training will also be offered from Year 2 onwards in job specific skills.

To apply, please submit your CV and Cover Letter to s.elrick@tullosttraining.co.uk.
