S4 – S6

Preliminary Examinations

Monday 17th January 2022 to Friday 28th January 2022

INFORMATION

1. From Monday 17th January to Friday 28th January 2022 inclusive, S4, S5 & S6 pupils undertaking N5, Higher and Advanced Higher qualifications will be on prelim exam study leave. This means they need not attend school unless they have an examination.
2. Please arrive at least 20mins before your exam and check the exam schedule outside the assembly hall which will confirm the exam room and your seat number.
3. Your Guidance Teacher will issue you with your Scottish Candidate Number. Please note this number on your prelim answer paper.
4. If you have assessment arrangements for any/all of your exams, you will be notified of these, prior to the start of the exams.
5. You are responsible for bringing all equipment necessary for the examination. Information about what to bring (e.g. a calculator or a ruler) is noted in the prelim schedule, beside each exam. There is some equipment which you can borrow in an emergency but the expectation is that all pupils will organise what they need to bring each day.
6. You should wear normal school uniform when in school. It is not acceptable to attend in casual wear.
7. Examinations can have different starting and finishing times. While any examination is in progress, silence must be observed and movement in and out of the examination room kept as quiet as possible.
8. Please note that all mobile phones must be switched off and kept out of sight in your school bag.
9. Should you misbehave during an examination, you will be withdrawn from the exam room, and your examination paper will be declared void.
10. Pupils must not loiter in the school corridors. If in school, you should be in an examination area.
11. If you are unable to attend an examination, perhaps due to illness, then your parent/carer should telephone the school prior to the start of the examination. Principal Teachers can then arrange, to allow you to sit the examination at an alternative time.
12. The lunch break and interval will take place at the usual time during the examination period. S1 – S3 pupils will continue to follow their normal timetable. However, some exams will start during the lunch break or continue into the interval and you should take note of this.
13. Please examine your timetable carefully and inform Miss McLellan as soon as possible of any clashes of examination times. When this occurs, one of your examinations will be moved to an alternative time during the exam period. It is in your interests to get an alternative date/time arranged, to give you the chance to sit all your prelims.
14. Some of you may have two prelims on the same day – i.e. one subject exam in the morning and another in the afternoon. With so many pupils and a range of subjects to fit in – this is inevitable. Once you know your exam timetable, you need to manage your studying appropriately - particularly if you find yourself in this situation.
15. Normal classes for S4/5/6 will resume on Monday 31st January 2022 at 8.30am.
