S5/6 Course Choice sheet 2023

Pupil Name: \_\_\_\_\_

Class: \_\_\_\_\_

Pupils are asked to work with their coursing teacher to select their courses. Pupils will also have Core, consisting 2 periods of PE, 1 period of RME and 1 period of PSE.

**Pupils going into S5 must choose a course in each column. Pupils going into S6 are entitled to one study column. If studying more than one SCQF Level 7, then pupils are entitled to two study columns.**

Following the meeting with their coursing teacher, pupils should discuss and agree their choices with parents / carers and have them sign below. City Campus (CC) classes need to be applied for, even if they are hosted at Harlaw Academy. City Campus Courses and NESCol courses are on S4/5 Google Classrooms. Pupils applying for a NESCol course or a City Campus course in another school should also choose a backup subject in the same column.

## S5/6 Course Choice sheet 2023

In order to guide the coursing process, the following questions are designed to stimulate a conversation. It will also help to ensure that pupils are making informed decisions considering their short, medium and long-term futures and decision making.

Coursing teachers should use these questions as part of a dialogue and record notes reflective of the pupil responses.

Tell me a bit about you, what are your interests?

Which subjects do you enjoy doing at school – which are you best at?

Have you given any thought to when you would like to leave school?

Have you any thoughts about what you might want to do after school?

From your research, what qualifications do you need to do this?

Is there any more information you need to help you make a decision?

Are there any subjects you wish you could do that aren't listed over the page?
